Annual Report

Advanced Dental Education
1987/88

Council on Dental Education

TABLE OF CONTENTS

The 1987-88 ANNUAL REPORT ON ADVANCED DENTAL EDUCATION contains information gathered by the 1987-88 ANNUAL SURVEY OF ADVANCED DENTAL EDUCATION, and the 21st ANNUAL SURVEY OF DENTAL EDUCATIONAL INSTITUTIONS. The data includes both specialty and non-specialty programs sponsored by dental schools, hospitals and other institutions in the United States. The programs listed herein are those advanced dental education programs accredited by the Commission on Dental Accreditation of the American Dental Association as of May 1987.

TABLE 1 Enrollment and Graduates, 1987-88..... page 1

Table 1 identifies the 1987-88 first-year enrollment, total enrollment and 1987 graduates of advanced programs according to type of program and sponsoring institution: summary statistics are also provided.

TABLE 2 Specialty and Non-Specialty Programs, 1977-87: Comparison of Dental School Graduates with First-Year Enrollment..... page 1

Table 2 presents a comparison of dental school graduates and first-year enrollment figures for specialty and non-specialty programs for the years 1977 through 1987. Overall, from 1977 to 1987 there has been a 8.9% decrease in doctoral program graduates and a 20.3% increase in the number of first-year students enrolled in advanced dental education programs.

TABLE 3 Number of Accredited Specialty and Non-Specialty Programs..... page 2

Table 3 indicates the number of accredited specialty and non-specialty programs from May 1984 through May 1987. Presented according to type of program and institutional sponsorship, the table includes all programs holding an accreditation status awarded by the Commission on Dental Accreditation.

TABLE 4 Number of Full-Time and Board Certified Directors of Specialty and Non-Specialty Programs..... page 2

Table 4 provides information regarding the time commitment and recognized specialty board certification status of advanced education program directors. The data is presented by type of advanced program and institutional sponsorship. Of the specialty programs reported herein, 322 or 73.3% are administered by board certified directors.

TABLE 5 Dental Schools with Advanced Education Programs..... page 3
TABLE 6 Non-Dental Schools with Advanced Education Programs..... page 5

Tables 5 and 6 list the names and addresses of dental and non-dental schools which conduct advanced dental educational programs accredited by the Commission on Dental Accreditation.

TABLE 7 Dental School Programs: Enrollment and Graduates..... page 10
TABLE 8 Non-Dental Schools Programs: Enrollment and Graduates..... page 16

Tables 7 and 8 provide information concerning the enrollment and awards conferred in specialty and non-specialty programs sponsored by dental and non-dental school institutions. The dental school and non-dental school dean/executive dental officer and program director(s) are listed for each institution. The time commitment and recognized specialty board certification status of each program director is also identified. The 1987-88 enrollment statistics provided include only full-time students. There were 99 part-time students enrolled in dental school programs, 12 part-time students enrolled in programs conducted by non-dental school institutions.

TABLE 9 Dental School Programs: Starting Dates and Application Deadlines..... page 27
TABLE 10 Non-Dental School Programs: Starting Dates and Application Deadlines..... page 33

Tables 9 and 10 identify the 1988 starting dates and application deadlines for the 1989 entering class of advanced dental education programs. The minimal length of each program is also provided. The (*) symbol is used to identify those programs offering a broadened educational experience or academic degree which could require an additional time commitment. While the dates provided are subject to change, they represent the latest information available and are designed as guides for applicants. The (++) symbol is used to indicate that students are enrolled every other year. The (**) symbol is used to indicate the absence of a specific date. The (OE) notation is used to indicate that the institution reported an "open enrollment" mechanism, thus specific application deadlines are not provided.

TABLE 11 Dental School Programs: Stipends and Tuitions..... page 44
TABLE 12 Non-Dental School Programs: Stipends and Tuitions..... page 50

Tables 11 and 12 provide information regarding the stipend awarded and tuition expenses associated with the advanced dental educational programs conducted by dental and non-dental institutions. Only state resident tuition figures are reported. While the figures reported are subject to change, they represent the most current information available and are designed as guides for applicants. Students enrolled in federal dental service programs are awarded stipends according to service rank. These programs have not been included in Table 12 unless a tuition fee is assessed. The (**) symbol is used to indicate that the information is unavailable.

TABLE 13 Dental and Non-Dental School Institutions Offering Accredited Oral and Maxillofacial Surgery Programs with Options for Pursuing an M.D. Degree..... page 59

Table 13 lists the accredited advanced oral and maxillofacial surgery programs which may also lead to an M.D. degree.

TABLE 14 Dental School Enrollment and Graduates of Advanced Programs not Accredited by the Commission on Dental Accreditation, 1987-88..... page 60

Table 14 identifies non-recognized advanced educational programs conducted by dental schools in the United States. The table provides 1987-88 enrollment statistics and awards conferred in 1987 to dentists completing an advanced program not accredited by the Commission on Dental Accreditation.
